SKILLS

PROGRAMMING

Proficient

C++ • HTML • CSS • JavaScript

MySQL • Git • Typescript

Intermediate

Java • Node.js • MongoDB • Inkscape

Angular • Davinci Resolve • Figma

Familiar

AWS • Android Studio • Power BI •

MySQL

COURSEWORK

UNDERGRADUATE

Data Structures and Algorithms

Operating Systems

Network Basics

Object-Oriented Programming

OOPS in Java

INTERESTS

TECHNICAL

Full Stack development • UI/UX Designing

• Web Development

NON-TECHNICAL

Video Editing • Light painting • Trip planning

EXPERIENCE

DLK CAREER DEVELOPMENT | INTERNSHIP

15 Days | Chennai, Tamilnadu

- Worked as a team of 6 in a Web development demo course.
- Learnt and implemented HTML,CSS and JavaScript to achieve tight conditions.
